Caitlyn Marie Halferty Memorial Scholarship Fund

The **Caitlyn Marie Halferty Memorial Scholarship Fund** was established to annually help a graduating West Noble senior realize lifelong goals. Caitlyn Halferty was only 7 years old when her life was cut short due to accidental carbon monoxide poisoning on December 7, 2003.

This scholarship was established in memory of this little girl, who unfortunately will never fulfill her lifetime dreams. Although she was so young when she passed away, Caitlyn enjoyed a full and happy life. She was in the second grade at Ligonier Elementary School and made a lot of close and dear friends through the students and staff at the school.

During the year Caitlyn enjoyed participating in sports, such as basketball, softball and bowling. Her greatest passion was swimming and she could be found in her neighbor's pool almost every night in the summer.

This scholarship was established by her mother to help give other children the opportunity to fulfill dreams like her daughter would have.

The first year the scholarship will be distributed will be in 2014 (the year Caitlyn would have graduated) to a graduating senior who attended Ligonier Elementary. Thereafter it will be awarded to any West Noble graduating senior and continue indefinitely.

Students who exhibit academic success, good sportsmanship and community involvement will be considered for Caitlyn's scholarship.

Every year funds at the community foundation receive bequests from the estates of deceased friends. These gifts make a tremendous difference as our community moves into the future.

When you revise your will, or create one for the first time, we hope you will include the **Caitlyn Marie Halferty Memorial Scholarship Fund** or other funds held at the community foundation, or consider establishing your own fund. Your estate gift will help serve future generations.

You can specify an amount or item for your bequest. You can name the community foundation to receive a percentage of the remainder of your estate—the amount that is left after the bills and specific bequests have been made. You could name the community foundation as a contingent beneficiary to receive that part of your estate that would have passed to another person had he or she been living.

As you think through your estate giving plans, you may want to talk with our office. We can inform you about all the giving opportunities that exist with the Noble County Community Foundation.

Generations from now, local students will benefit from your foresight and generosity.
